## Newsletter November / December 2018

### GRANTS and FUNDRAISING

Our thanks to all the Councillors of the Outer South Leeds Community Committee, for their award of a small grant of £1000 towards the replacement of our metal cabinets so we can keep customer data safe. Also, for the purchase of an office i-pad, and for some more leaflets to publicise our service.

### A BIG THANK YOU

To the Co-op at Woodlesford and East Ardsley, and the Hare & Hounds Rothwell, who have helped us to raise in excess of £450 through our Halloween Hampers. Thanks to everyone who contributed and bought a raffle number.

## SOCIAL CLUB NEWS

November sees us come to the end of our Miles of Smiles Project. Thanks again to the Outer South Leeds Community Committee for their support. Our volunteer drivers have given over 200 hours during the project to deliver 24 trips. A big THANK YOU to all our drivers who donate their time not only for Social Club trips, but also for Group User trips out.

### Upcoming trips

Once again we have tickets to the Lord Mayors Carol Concert. We have also secured tickets for two trips to the Panto next year to see our patron Billy Pearce at the Alhambra production of Aladdin. Our next Newsletter will be out just before Christmas with more information about our Pantomime trips in January and February.

**Changes to Social Club Membership.** Did you know it costs over £1000 each year to produce and post our schedules and newsletters? Whilst we do fundraise to help to subsidise our service and trips out, it is always a struggle to meet these costs. In order to carry on producing and sending our monthly newsletter and list of trips, our Trustees have agreed to introduce a yearly membership fee of £2 which will directly help towards this cost. We will ask for a payment of £2 each January. Katy will write to all Social Club Members separately in December.

### FDM also welcomes bookings from Group Users.

**If your community group would like to make a booking please contact Val on Monday, Tuesday, Thursday and Friday Mornings for more information on telephone number 0113 288 9000.**
