Fundraising and Grants Update

All our recent fundraising activities have been put on hold. However we would like to say a very big THANK YOU to the following funders whose generous support is ensuring we are able to cover our overheads to secure the continuity of the Charity.

Leeds Community Foundation – The Leeds Resilience Fund

Sir George Martin Trust

Yorkshire Building Society

Resuming a limited service over the coming months

The Charity Trustees, along with Val and Katy and our volunteer drivers, are currently drawing up a plan to be able to offer our service again later in the year. This is likely to be from September once our buses have been serviced and our revised processes for both drivers and passengers are in place. This will also hopefully allow time for some of the easements following lockdown to be in place. We will issue a further newsletter early August to tell you more about our plans and what to expect.

At present our plan is to use our 16 seater minibus to carry 5 passengers so that we can ensure there is sufficient spacing both for passengers and the driver. You can also be assured that the bus will be cleaned after each trip, ready for the next trip to take place.

We will write to you again nearer the time to explain any new processes regarding booking trips out, and we will of course keep this under review once further government information emerges.

Please stay safe during these difficult times.

Our very best wishes from everyone at FDM.
