### **A Message From The Charity Trustees**

#### **Update on resuming a limited service once it is safe to do so.**

Firstly, we hope you have been able to stay safe over these last few difficult weeks as the situation worsened in our area prior to this lockdown period.

Thank you to everyone who replied expressing an interest in visiting some local destinations. As soon as it is safe to resume a service Katy will be in touch, though it may be a few weeks before the results of the lockdown, and any improvement in the situation locally, are known.

#### **Foodie treats deliver service over the winter months**

Commencing in January FDM is pleased to be able to offer members the opportunity to have some lovely food treats delivered. Our trustees will be engaging with local businesses so that we can try and vary the offering each month during, February and March.

We are delighted to be co-ordinating our efforts in the community with the Rothwell Live at Home Scheme and the Rothwell Rollers.

For January we are offering a choice of:

Lunchtime pensioners Fish and Chips from local fryer GJs – delivered to you at lunchtime by a volunteer.

Cream Tea Box for One from Grays Tea Shop of Rothwell. Everything you need for a lovely afternoon treat.

Finally, you can choose from a selection of meals from Blacker Hall Farm Shop.

Please see the order form for more details.

**Please Turn Over For More Information**

## How to place an order for a delivery

Please make a selection on the enclosed form, you are welcome to choose more than one option. Please post the form back to Katy in the enclosed pre-paid envelope. Please remember to enclose any requests for our little handstitched bags as well.

Katy will get in touch to take a payment by card over the telephone and will discuss what date and approximate time we can offer to deliver your food selection to you.

## Seasons Greetings from everyone at FDM

**Our Next Newsletter will be issued in January**

**In the meantime please keep safe and well**
